*1966*

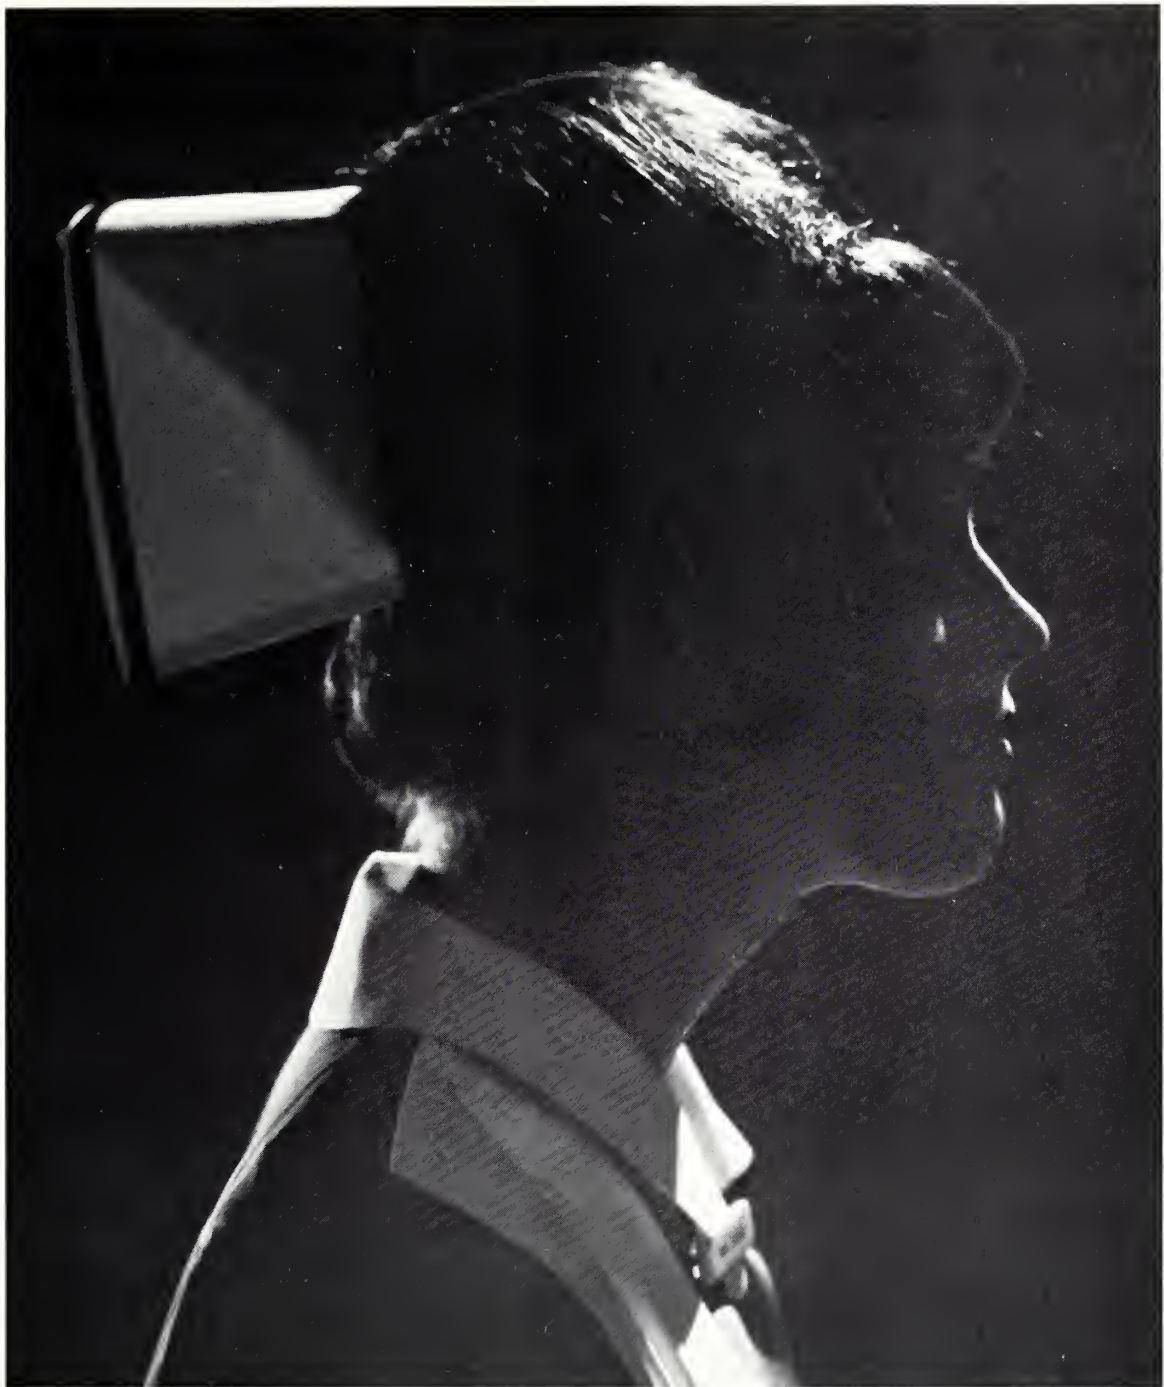

*LAKE VIEW MEMORIAL HOSPITAL*  
*SCHOOL OF NURSING*  
*DANVILLE, ILLINOIS*

## *Dedication*

For years she has been a helpful and understanding instructor who has functioned equally well on the clinical unit and in the classroom to teach us the principles of good nursing. As student body advisor she has worked unceasingly with and for the students to uphold the standards of our school. For these reasons, we proudly dedicate this, the 1966 Paragon, to Mrs. Darlene Ewing.

### THE NURSE

To be a nurse is to walk with God,  
Along the path that our Master trod;  
To soothe the aching of human pain;  
To faithfully serve for a little gain;  
To lovingly do the kindly deed;  
A cup of water to one in need;  
A tender hand on a fevered brow.  
A word of cheer to those living now,  
To reach the soul through its body's woe.  
Ah! This is the way that Jesus would go.  
Oh, white capped nurse in dress of blue,  
Our great Physician is working through you.
